Counsel's Signature

Based upon the representations and answers given by the defendant (and counsel) in this proceeding, the Court finds that the defendant's plea is knowingly and voluntarily made; and that the defendant understands the charges, potential penalties, and consequences of his (her) plea. The Court further finds that the defendant's plea is supported by an independent basis in fact containing each of the elements of the offenses to which the defendant is pleading. Based thereon, the defendant's plea is hereby accepted. In addition, I recommend that the district court accept the defendant's plea and enter judgment thereon. If you have any objection to my recommendation, you have 14 days to file such objections in writing with this Court. If you fail to object within that 14 day period, it will be deemed a waiver of any such objection.
